

Squash NZ COVID Travel Policy

While travelling to an event organised or supported by Squash NZ that you are attending in an official capacity as either a coach, referee, selector, or event official, you may test positive for COVID-19.

In the event you are unable to travel home, any additional expenses incurred due to self-isolation requirements will need to be covered by the individual.

The Unite Against COVID-19 website provides guidance on what you can do if you get COVID-19 while travelling - <https://covid19.govt.nz/isolation-and-care/if-you-have-covid-19/if-you-get-covid-19-while-travelling>

The COVID-19 Leave Support Scheme is also available to employers and those self-employed to help pay employees who cannot work due to self-isolation - https://www.workandincome.govt.nz/covid-19/leave-support-scheme/index.html?utm_source=redirect&utm_medium=146
